Come along and watch a full day of continuous top class netball.

The ten State League Teams, SA Country and the Men's Team will take on our ANZ Championship Grand finalists, the Adelaide Thunderbirds in action-packed fast-net style 4 x 5 minute matches over a whole day.

Games will be 20-minutes in total and play to modified FastNet style rules including rolling substitutions, 2-point shots from outside the goal circle and score-dependent centre passes, making for skinny score margins and finals-like finishes all day!
