

FREQUENTLY ASKED QUESTIONS ABOUT TRIALS AT CONTAX

Do I have to register via the mynetball website?

Yes, you must register through the mynetball website or mynetball app.

I can't find my login details for mynetball

Click on the link below to find out more about your mynetball profile

<http://support.interactsport.com/display/public/LOG/Logins+FAQ>

The Trial form doesn't look the same as last year. Why is that?

We have made quite a few changes to our trial forms, hopefully they are much simpler for you to fill out. We have also changed our registration process. If you are selected in a team for Winter Season 2019, you will be required to accept your position within mynetball within the time allocated. You will receive all information by email once trials are completed.

My daughter is born in 2010 or 2011. What age group will they be registering for?

Netball Australia has been updating the Net Set Go program over a number of years. If your daughter is born in 2010 or 2011, then she will be registering to play in the Net Set Go, GO program. This program is specifically for children to learn all about netball. They will still train on Wednesday nights and play games on Saturdays with the rest of the club, but they will not play for Premiership points. At Contax, we also refer to this age group as Sub Primaries. If your daughter is aged 5-7years, we offer the Net Set Go, NET program during Term 2. More information about this program will be made available closer to the program dates.

What do triallists wear to trials?

All triallists are asked to wear plain clothes. Do not wear Contax or other club uniforms or State colours. Please also have a look at the length of your shorts before you leave the house, short shorts will not be accepted. We will ask any triallist wearing inappropriate attire to change.

I have missed the deadline to register. Can I register late?

No, you must register by midnight on the closing registration date.

I have more than 1 daughter trialling for Contax. Is there a discount?

Yes. If you have 3 or more daughters selected in a team in a single season, a discount will be available to you. You must nominate each player to trial and pay for all triallists in full. The girls will need to go through the trial process and if all are selected in a team, then a discount will be available. You will need to contact the Treasurer at this point.

My daughter cannot make a trial date. What do we do?

While it is best that each triallist attends all trials for the most opportunities on court, we understand if there are extenuating circumstances. You will need to contact our trials coordinator as early as possible by email at contaxregistrar@gmail.com to inform her. There is a great deal of work done behind the scenes to ensure trials run smoothly, so please give as much notice as possible. She will pass the information on to the appropriate people.

Can I use my Sports Vouchers?

Yes you can. Click the link below for more information regarding Sports Vouchers

<https://www.sportsvouchers.sa.gov.au/>

In order to use your Sports Vouchers at Contax your child must be of Primary School age and she must be selected in a team. Once selected in a team and accepted the position, you will need to download the 2019 form, fill it out and email it to our treasurer. She will then lodge the voucher for you and you will receive a refund of the voucher amount from the club.

PLEASE NOTE: South Australian Government has increased Sports Vouchers to \$100 as of 1st January 2019!!! So it's definitely worthwhile looking into it, if you have Primary School aged children playing at Contax

My daughter did not make a team, can we have feedback to help her improve?

Unfortunately, not all that trial for Contax will make a team. Our selectors have a great deal of experience and each decision they make is not taken lightly. We have large numbers of girls that trial each year and it is impossible to provide feedback to all. The best place to seek feedback is with any current coaches or teams.

I have emailed the club and not yet received a response.

Please understand that all our administrators are volunteers. While they enjoy volunteering their time to Contax, they also have families and lives away from netball. Every effort will be made to respond to your email as soon as they can.
