

COVIDSafe Declaration Form – Training & Game Attendance **IMPORTANT MANDATORY AGREEMENT**

Contax Netball Club is taking a highly precautionary approach to manage the spread of COVID-19 and ensure the safety of our Members and community as we prepare to return to training and games. All decisions are made in line with the directives of National and State Government and Health Authorities along with Netball Australia and Netball SA Guidelines.

All community netball participants (players), parents/guardians of participants, coaches, spectators, officials, volunteers and netball organisations must play a role to help slow the spread of COVID-19. Contax Netball Club has developed our Club COVIDSafe Guidelines as outlined below and available on our Club Website. The safe reintroduction of community netball requires thorough planning, member education and support to ensure that together, we can all minimise risk by adherence to guidelines.

We are seeing your urgent response from all club members and parents to read and acknowledge via the link provided to ensure we all understand our responsibility and agree to abide by regulations set. There is a need for strict compliance for anyone in attendance at training or games at Priceline Stadium along with any other relevant venue as applicable to the Premier League.

We ask our members to help the club with adherence to social distancing at the stadium, please do remind anyone you see not adhering to protocols as we adjust to our new norm.
